Last name

phone

e-mail

Are there any texts, documents, studies, research, articles, videos or other materials available on the history of the product, its gastronomic processing, production or cultivation technique? If applicable, please attach a copy when submitting the report card.

The completion of this form is necessary in order to officially start the path to the creation of a new Slow Food Presidium.

The report will be reviewed and evaluated by Slow Food, which, subsequently, will organize a visit to the farms to meet the producers and discuss with them the Presidium project.

Contact your local coordinator or write to: **international@slowfood.it**

Privacy

The personal data contained in this report form are processed in accordance with the GDPR and according to the privacy policy that the data controller has made available at the link [privacy.slowfood.com](https://www.slowfood.com/privacy). Consent to process data for the stated purposes is a necessary condition for access to the reporting initiative.

By completing and submitting the reporting form, the person concerned (the reporter):

Declares that has read and understood the privacy policy and consents to the processing provided therein with particular regard to the paragraphs "Reporting Ark of Taste products, Slow Food Presidia," and "Producers, establishments and referrers of Slow Food projects."

declares that has acquired the consent of the producers' contact person to communicate their own personal data to Slow Food for the purposes of the project.

Slow Food undertakes to contact the producers' contact person whose details are disclosed by the reporter in this referral form to acquire directly from the person concerned the consent to the processing.

For other processing purposes, the explicit consent of the data subject (reporter) is required. With specific regard to the chapter "Recipients of newsletters and communications commercial, promotional and sales-oriented" the person concerned.

Consents does not consent to receive communications of a commercial nature, promotional and sales-oriented of the entities linked to Slow Food and indicated as co-owners in the information available at the link, that is the partners of the Presidia project.
