F1 – Profiles of the Slow Food Community Garden Key Persons

Slow Food Monitoring and Evaluation System

for the Gardens Project in Africa

This form will be filled in at the establishment of the Garden to record the names and contacts of the two **Key Persons responsible for the Garden management**.

These are:

- the **Local Slow Food Garden Coordinator**, who ensures the link between the Garden and Slow Food; he/she should fill in the form and send it to SF Garden teams through the usual communication system;
- the **Community Garden Manager**, who provides the link between the SF Garden Coordinator and the members of the Garden itself.

The form will be updated every time one of these two persons change.
