INTERNATIONAL WEBSITE

Thank you for participating in our survey! We are working to the new website of Slow Food www.slowfood.com. Your feedback is incredibly valuable and will directly impact our decisions. We aim to create new tools that will streamline your work efforts and make it easier to focus on Slow Food's critical vision. This survey is going out to communication teams across the Slow Food network. For the purpose of this survey, we will refer to the Slow Food groups and initiatives as entities or entities.
